### School Provision

I would like to say an enormous thank you to all of our parents and carers for keeping your children at home where you can. We appreciate how difficult this is, especially as the weeks roll on. However, If you are a key worker and do not have anyone at home to care for your children while you work, please contact the school to arrange provision. I know that you are all trying your best to stay home so that you, your children and staff in school are able to stay safe.

### Home Learning

Thank you for sending the office and class teachers pictures of the children's learning at home.

Well done to all of the children for the effort they are still putting in to their learning and to the adults for keeping going, even when things are tough. Have a look at some of the children's work:
