School Reopening

As you will have seen there has been lots of discussion around schools reopening on 1st June for children in nursery, reception, year 1 and year 6. Whilst we are being given guidance from the DfE and Essex County, it does keep changing, making it very challenging to keep on top of. What has been made clear is that each school is different and we have to think about how we can best manage to reopen, whilst doing everything we can to minimise the risk of infection to children, their families as well as school staff.

I have written to parents/carers of children in nursery and reception to ascertain how many children will be returning on 1st June so that I can see if we will be able to open for year 1 as well.

Children of key workers and vulnerable children will be given priority followed by children in EYFS.

I will send you a more detailed letter this weekend outlining what the school is doing to minimize risk. This may influence your decision regarding sending your child to school.

Before I can clarify arrangements, I need to be clear on numbers. I would ask that you contact the school office on admin@gbins.co.uk or call on 01376 326891 to let us know your decision. If you are a key worker, please confirm whether your child will be attending school. This includes children of key

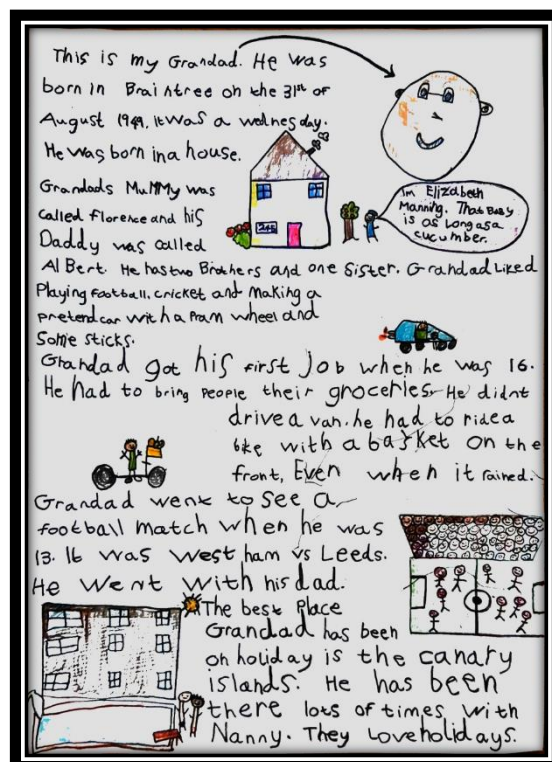

workers in years 1 and 2 as well as EYFS.

The number of children returning to school will decide whether we can open and offer a full time or part time timetable.

Please ensure you have contacted school no later than 3pm on Monday 18th May. If we do not hear from you, we will have to assume you do not intend for your child to return to school on 1st June.

Thank you to all of the support you have shown the school at this difficult time.
