A young boy with blonde hair and blue eyes is sitting in a blue high-back chair. He is wearing large, silver and black headphones. He is holding a white certificate with a yellow starburst graphic at the top. The certificate reads: "You're a star" in large red letters, followed by "a big thank you to" in small black letters, then "Lucas Day" in large black letters. Below that, it says "for helping to bring us the new Day After Tomorrow movie!" in small black letters. At the bottom of the certificate is the National Geographic logo and the text "© National Geographic". The boy is looking directly at the camera with a neutral expression. The background shows a wooden floor and the legs of a wooden table.

The following top scorers of this week's Easimaths are: Darcie (Moonstone) with 2490 points, Abel (Diamond) with 2170 points and the top scorer from Year 2 is Finlay (Amethyst) with 1015 points.

Teachers in nursery, reception and year 1 are sending out videos, via email, from their new teachers. The videos can also be viewed on our website www.gbins.co.uk under the link Latest News. We hope you enjoy them.

Well done Rosie
(Moonstone) for reading

words. We are very proud of you.

Tapestry

Please remember to download tapestry if your child is in reception as we do not use tapestry in year 1. If you are having any difficulties, please contact your child's class teacher. There is a printer friendly option if you want to print it off. This also applies to any nursery children leaving us in July and going to another school. Nursery children moving to our reception in September 2020 do not need to download their journal, as it will be transferred to reception. This means you can continue to upload pictures and information over the summer.

Plea for Help

Reception staff were wondering if there were any parents who were able to source us some tree stumps and logs (suitable for developing balancing skills), or if anyone has any links to somewhere we could get some.

Also, over lockdown we know that lots of children have been learning to ride bikes or progressed to larger bikes, if there are any bikes or balance bikes sitting abandoned in garages (suitable for 3-5 year olds) we would be really grateful for donations. We are able to get them safety checked and repaired if needed.

Our Early Years outside areas are undergoing lots of improvement works and we have some small building projects (making small wooden dens/low climbing platforms/planting boxes - all of which can be carried out

at home) we would love some help with, if anyone has got the skills and time to help us out?

Please contact the infant school if you are able to help out with any of the above. Learning outside is a huge passion for us and is particularly important during the current climate.

Many thanks,

Mrs Holroyd

One of our brilliant Essex schools has come up with an innovative way to run a sports day this term – the Collingwood Invitational Pentathlon, open to schools near and far. Just use the link:

<https://sites.google.com/collingwood.essex.sch.uk/cip2020>

The Great Bradfords Infant and Nursery School Pentathlon

Each child will be asked to complete **5** different, specially designed, socially distanced **events** which can be completed either in **school** (by those attending) or at **home** with a few simple things.

You can pick a team colour of your choice. The options are red, yellow, green or blue.

Through challenge, fun and friendship, being the best we can be.

The events can be completed all on the same day, or one each day & spread out over a whole week. It doesn't really matter. The most important thing is to have a go - and have **FUN!**

Free School Meal Vouchers

I have ordered the vouchers for the summer break. If you usually receive your voucher via email, then you will receive your final food voucher email for £90, on Friday 17th July. If you receive your voucher by post, they will be sent out on Friday 17th July, so you should receive them by Monday 20th July. If your child is currently in school, then we will give them the voucher to bring home on Friday 17th July. This all hinges on the Edenred website being able to send out all of the vouchers when requested, to the hundreds of schools!

Through challenge, fun and friendship, being the best we can be.
