## INFANT AND NURSERY SCHOOL

						these children were given priority for the following half-term.
Enhance and develop Staff CPD in PE.	To have new staff trained and observed to help improve best practice.	Increased staff confidence and competence. Children active and engaged throughout their PE lesson.	CPD sessions with KB. DS to teach team, observe teaching and provide valuable feedback.	Estimate - £1,350	3 girls from Spurs & Braintree Community Irons came and supported physical development lessons in each year group and during playtimes for 2 weeks. KB – Provided CDP for staff that requested extra support. KB held gross motor CPD to 121's and SEND once a week for 6 chn. KB held Physical phonics session once a week for 12 children. New assessment total created to link the 12 fundamental skills with target tracker.	Staff including mid days have enhanced the CPD with ideas on how to lead thematic lessons based upon the 12 fundamental skills. Several new playgrounds learnt by staff and children. 121's gross motor and coordination CPD improved. 12 boys all excelled in the phonics following a literacy intervention and their fun and engaging Physical Phonics Friday lessons. Assessment tool explained and given to all CT and SLT.
Incorporate PE into the wider curriculum through physically active thematic lessons.	Planning to show at least 3 lessons a term show that outdoor physical activities are incorporated	Children develop the 12 fundamental PE skills. Pupils active during the wider curriculum making learning fun and relevant to their learning.	CPD sessions with DS through staff meetings, team teaching and DS to observe teaching and provide valuable feedback.	Release cover £240	Observed 3 lessons over 2 year groups.  Held a staff meeting on 1 <sup>st</sup> October to support staff in how they can use the REAL PE resources and	Staff meeting held where several ideas were generated across all year groups and shared as best practice.  Lessons observations highlighted the need to
