colour. The covers are there to protect children's heads if they fall against them. The children have been told they are NOT to punch, kick or climb on them. Please could I ask you, when supervising your children before and after school, that you ensure they respect this rule. Thank you.

Happy Playtimes

"It's been the best day ever!" This is how Rhys, Owl class, described the first day of being able to play with his friends in year 1 outside and eat lunch in the hall.

It has been lovely seeing how excited the children were to be together again.

Census Day

Thank you to all of the children who had a school lunch on Thursday 20th May. We catered for a total of 179 children. We have three census days a year and the number of children taking a lunch on those days has a significant impact on the funding we receive as a school.

Playground Safety

Many of you will have already noticed the brightly coloured foam covers around the wooden legs of the gazebo, on the front playground. They are lovely as they add a splash of

Parent Governor Vacancy

If you have time on your hands and would like to get involved in making Great Bradfords Infant and Nursery School the best it can be, you might like to think about becoming a parent governor. It is a very interesting and rewarding role but does require commitment from the person taking it on. You would need to attend 9 meetings a year, some will be via zoom, others face to face. You will work with teachers developing their subject leadership, meet children in classes to share their learning and achievements and understand how the school budget is used to improve outcomes for children, maintain the fabric of the building and much more. Training is provided. If this interests you, please contact the school office for more information and a nomination form. The closing date for nominations is Friday 28th May. Thank you.
