Wagtail Class Assembly

Well done to the children in Wagtail class for their amazing assembly this morning. It was wonderful to share in their learning that they presented well through, art, music, speaking and maths. Their singing was fantastic and a clever way of remembering lots of information. Never underestimate how much confidence is needed to stand up in front of so many people.

Reception Airport

The children in the reception classes had a wonderful time flying to Paris, Egypt or the Arctic. They made passports and tickets and travelled by plane to their chosen destination. Don't forget to ask them what they had to do at check in!

Safeguarding

We take safeguarding very seriously in school. Internet safety is just one element of safeguarding. As more and more children become active online from an earlier age, it is important that we all educate ourselves of the potential dangers that exist. Please click on the links below to watch videos and listen to podcasts about online safety.

Empty Milk Bottles

Please would you save your empty 2 litre plastic milk bottles. The staff and children in the reception classes have a plan for them. They will need to be clean and have their lid on. Please give all bottles in at the office or to staff in the reception classes. Thank you.

World Book Day

Don't forget to dress as your favourite book character on Thursday 3rd March. You may even come dressed as a word! We have lots of exciting learning

planned in school to promote a love of reading. Will the children work out who the mystery readers are?

Family Support

If you are struggling with your child's behaviour at home; bedtimes and mornings are a nightmare; your child is a fussy eater or struggles to leave you at school time, then Sharon may be able to help. She is available to support any parent/carers who may need advice or support. She can also help with other issues affecting families for example: divorce, separation, bereavement, housing issues and benefits. If she cannot help you personally, then she can refer to more specialised services who will be expert in their field. Sharon is available Monday - Wednesday between 7.45am-4pm. Parents/carers are welcome to
