Total number of children eligible in years 1+ 2 (According to the census January 2022)		165		
Total Grant Amount		Carry Forward Sports Premium = £5162.00 Sports Premium for this year = £17642.00 Total= £22,804 Total spent - £25,627		
Summary of Primary Sport Premium 2023-24				
Objectives of spend: <ul style="list-style-type: none"><li>To improve children’s core body strength</li><li>To increase physical activity in children across the school</li><li>To give children new opportunities to be physically active</li><li>To ensure quality and consistency during PE lessons</li></ul>				
Intent	Implementation	Impact		
Schools focus with intended impact on children	Actions linked to intentions	Cost	Evidence and impact	Sustainability and suggested next steps
To improve children’s core body strength.	To lengthen the climbing wall and include more challenge and develop upper body strength and core stability.	£1,495	This will be measured through observation in both EYFS and KS1 in line with Early Learning Goals for EYFS.	Work is due to take place over the Summer break to develop the climbing wall and nursery garden. We are hopeful to start seeing the impact of children’s core strength in the academic year of 2024/2025.
	To develop nursery playground and include multiple opportunities for children to build core strength and gross motor skills.	£14,595	Teachers in EYFS will hopefully be able to see a good amount of correlation between the

			development of gross motor skills and how these then impact fine motor skills.	There is still work to be done on the nursery playground but costs were more than anticipated. Once groundworks are completed we will review again to see what will work best.
To ensure quality, consistency and progression in PE lessons across the school.	To employ specialist sport's coaches to deliver quality PE lessons to all children. To use some of these lessons for staff CPD. To ensure we update GetSet4PE subscription so all staff are able to access this.	£7,488  £408	Staff will observe coaches first, last lessons, and have discussions with coaches regarding children's progress.  Staff will be encouraged to give GF any feedback from the scheme. GF will organise lesson observations with link governor (GM).	Both year one and year two children have had one lesson a week with a specialist sports coach. Staff have had the opportunity observe these lessons and use them for CPD.  All staff seem happy with the GetSet4PE scheme and are using it on a weekly basis.
To increase physical activity through a range of new experiences.  Upskill midday assistants on improving physical activity.	To organise at least one workshop to allow children to develop a new skill and continue to practise this skill with new resources.	skipping workshop £450	Children will in years EYFS-YR2 will all get the opportunity to take part in the workshop. We will then see if the skills taught are used in their lunchtimes and free time.	No new workshops were completed this year. We will look into this again for next year. However, equipment on the playground has been sorted and is more accessible for the children. Children are encouraged by staff to use this equipment during playtimes and lunchtimes.

## INFANT AND NURSERY SCHOOL

To increase physical activity throughout the school.	<p>To reintroduce the Golden mile at the end of lunch.</p> <p>One rocket team a day to wear activity watches at lunchtimes and for the Golden Mile. The rocket team with the most steps at the end of the week will be rewarded.</p> <p>To give children the opportunity to get involved in competitions with other schools.</p>	<p>Watches £150</p> <p>Transport</p> <p>BDPSSA membership £40</p>	The watches will enable us to monitor how physical activity has increased.	We have trialled ways to introduce the golden mile. It has been decided that it will be completed at lunchtimes for year 1 and 2 children starting from September and Reception children will join later.
To ensure that PE lessons can run as they should by ensuring we have the correct equipment	<p>Maintaining current equipment in school both in the hall and on the playground.</p> <p>To buy USB charging ports to charge activity watches.</p>	£1,000	GF will check in with other staff members regularly that everyone has the correct equipment to carry out lessons.	Staff will let me know if they need any particular equipment for the lessons they are teaching or for playtimes and lunchtimes. I will be completing a stock check when the cupboard is sorted and tidied before the Summer break, ensuring I order any equipment needed for the next academic year.
