Summary of Primary Sport Premium 2024-25				
Objectives of spend: <ul style="list-style-type: none">• To improve children’s core body strength• To ensure quality, consistency and progression in PE lessons across the school• To increase physical activity through a range of new experiences• Upskill midday assistants on physical activity• To ensure that PE lessons can run as they should by ensuring we have the correct equipment				
Intent	Implementation	Impact		
Schools focus with intended impact on children	Actions linked to intentions	Cost	Evidence and impact	Sustainability and suggested next steps
To improve children’s core body strength, balance and coordination.	To invest in a selection of resources that can be shared between year groups to best suit pupils abilities. Equipment can be adapted to allow it to be more challenging or more simplified depending on the age and ability of the children (Get Set Go blocks, Engineer set)	£14,985	Evidence will be supported by staff observations and Early years GLD at the end of the KS	Climbing wall was adapted on KS1 playground allowing for more of a challenge. Moveable obstacle course encourages coordination and balance. We need to look into adding more equipment on to this to

	Further extend climbing wall in main playground.	£2,500		allow it to be more challenging if need be.
To ensure quality, consistency and progression in PE lessons across the school.	<p>To employ specialist sport's coaches to deliver quality PE lessons to KS1 children. To use some of these lessons for staff CPD.</p> <p>Use funding to cover release time to begin to devise a PE scheme that is a combination of knowledge we have gathered from teaching the current PE scheme, watching coaches teach and discussions with colleagues regarding their own passion, creativity and training.</p>	<p>£2850 payment to sports coach from Sep-Dec</p> <p>£240 a day to cover a class x5=£1,200</p>	Once a scheme has been devised observations and staff surveys will be completed in order to ensure all staff are following the scheme correctly and have a good understanding of what is being taught and why.	
<p>To increase physical activity through a range of new experiences.</p> <p>Upskill midday assistants on improving physical activity.</p>	<p>To organise at least one workshop to allow children to develop a new skill and continue to practise this skill with new resources.</p> <p>Work with Superstar Sports company to improve physical activity at playtimes and lunchtimes and train staff where necessary.</p> <p>To give children the opportunity to get involved in competitions with other schools.</p>	<p>skipping workshop £450</p> <p>Superstar Sports £48 per session Total=£1824</p> <p>BDPSSA membership £40</p>	<p>Observations will be made during lunchtimes to see how children are using equipment before and after the workshops.</p> <p>Pupil voice can be carried out to see what children have enjoyed about the new experiences and what they would like to do in the future.</p>	A skipping workshop was carried out in July 2025, teaching children various skipping skills that can be used during playtimes and lunchtimes.
To ensure that PE lessons can run as they should by ensuring we have the correct equipment	Maintaining current equipment in school both in the hall and on the playground.	£2,000	GF will check in with other staff members regularly that everyone has the correct equipment to carry out lessons.	New stock has been ordered over the year and we will continue to replenish stock when needed.
