

## Website Accessibility Plan

Great Bradfords Infant and Nursery School is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This accessibility statement applies to our website.

## Compliance status

This website is partially compliant with the Web Content Accessibility Guidelines version 2.2 AA standard, due to the exemptions listed below.

- Primary and secondary schools or nurseries - except for the content people need in order to use our services, for example a form that lets you outline school meal preferences.

## Non-accessible content

The content listed below is non-accessible for the following reasons:

- most older PDF documents are not fully accessible to screen reader software
- embedded Google Maps are not accessible within the site
- any forms with bespoke styling on the site may not be accessible
- Images: We endeavour to ensure that, where needed, we include alternative text for any images. If any images do not have a text alternative, so people using a screen reader cannot access the information, we will rectify this if notified.
- Video: We endeavour to ensure that, where needed, we include frame titles, captioning and transcriptions for any videos. If any videos do not have a frame title, captions or transcriptions, so people using assistive technology cannot access the information, we will rectify this if notified.
- Links: We endeavour to ensure that, where needed, we include appropriate use of links and ensure that links are descriptive. If any links are not descriptive, so people using a screen reader cannot access the information, we will rectify this if notified.
- Tables: We endeavour to ensure that, where needed, tables to ensure they have the appropriate headings set. If any tables do not have defined headings, so people using a screen reader or keyboard navigation cannot access the information, we will rectify this if notified.
- Brand colours: We endeavour to ensure that, our brand colours meeting the contrast ratio for the corresponding text size. If any text does not meet the contrast ration, so people with visual impairments cannot access the information, we will rectify this if notified.
