End of year message...

I can't believe my first year is already done! Time certainly flies when you are having fun.

It has been as busy as ever and the children have kept everyone on their toes throughout.

We started the year thinking about our school logo - the butterfly - and our motto *'Through challenge, fun and friendship, being the best that we can be.'*

Today, we thought about this again in our whole school assembly. We reflected on how much we have learnt, grown, transformed and changed.

We talked about how Year 2 are now ready to spread their wings and fly off to Year 3.

We also said goodbye to Miss Dixon and Miss Neave who leave us for very exciting adventures. They have promised to come back and see us! We send them off with our very best wishes and grateful thanks.

I am very thankful for our school community and I love being part of such a fantastic, dedicated team of people.

I hope everyone has a lovely, safe summer holiday and we look forward to welcoming you all back in September.

CELEBRATE!

Well done to this week's Stars of the Week...

EVERYONE!

CELEBRATE!

This week's tidiest classroom
Puffin Class

Attendance

In assembly, we awarded lots of badges for
100% attendance.
Well done!

I know that sometimes there are unavoidable challenges impacting on attendance but it really makes a difference if children can get in everyday.
