

Attendance Matters

Regular attendance is crucial for children to succeed at school. Poor attendance impacts on all aspects of a child's development and on future life chances. We have started the year really positively – so thank you for getting your children in.... and on time.

Please note:

- Routine appointments should be kept to school holidays or after the end of the school day.
- There are strict rules around our duty to chase non-attendance and have an explanation for every absence. Please do let the office know via Arbor, telephone or email message if your child is not going to be in. Please let us know before 8.50am wherever possible.

Updated Policy

Please note that children are not permitted to have mobile phones and smart devices, including watches, in school.

We would also ask that parents and other family members at drop off and pick up do NOT wear smart glasses on the school site.

This is for safeguarding reasons. We politely request that you remove such glasses whilst anywhere on the school site.

Information we hold

Please make sure we have up to date information about your child – including completed collection sheets and emergency phone numbers.

Don't Forget Mini-Bradfest tonight!

Thank you for all of the bottles that were sent into school this morning.

Please join us between 3.30-5.00pm today to help raise some much needed funds for both schools.

Come and try to win a bottle back, enjoy refreshments and a burger, as well as games and stalls!

Awarded for demonstrating the school values

School Council

Congratulations to the following children who have been voted in by their peers this week:

Wagtail - Matthew and Poppy
Swift - Emma and Rae
Owl - Zak and Mia T
Hawk - Bronwyn and Iris
Eagle - Dominic and Rosie
Kestrel - Georgia and Skyla

I look forward to hearing all of the ways they are going to help make a positive difference around school.
