

Attendance Matters

As part of our Ofsted Inspection this week, our procedures around attendance and lateness were carefully scrutinised. The team were impressed with our attention to detail and commitment to helping our families remove barriers to good attendance.

If you need any support with getting your child in to school every day and/or getting here on time, please speak to your teacher, Mrs Humm in the office or myself and we will try to help.

September is the time to set good intentions and routines for the school year ahead.

Updated Policy

Please note that children are not permitted to have mobile phones and smart devices, including watches, in school.

We would also ask that parents and other family members at drop off and pick up do NOT wear smart glasses on the school site.

This is for safeguarding reasons. We politely request that you remove such glasses whilst anywhere on the school site.

Ofsted Inspection

As you will be aware, we had a team of Ofsted Inspectors in school for two days this week. The new style report card will be published later this term.

In the meantime, I want to send our grateful thanks to our wonderful school community for your positive comments, hard work and many contributions to ensure the inspectors knew what a brilliant school this is.

Thank you to those families who took time to complete the parent survey - the main headline that Ofsted quoted back to us being that 93% of you would recommend this school to another parent. Thank you.

Mini-Bradfest

Thank you to the PTFA for last week's Mini-Bradfest. Everyone had a great time, the weather was just about perfect and a brilliant £1200 was raised during the event.

Thank you!

This week's tidiest classroom

Hawk Class

Highest Attendance Award

Eagle Class with 97.6%

Most Punctual Classes

None this week!

Please do your best to get in on time!

Parent Parking

Please be mindful of local residents and general safety when parking near school.

We have had reports of people parking on double yellow lines, double parking and blocking the road whilst turning round right by school.

Please also note that school car park is not to be used without permission in advance. At drop-off and pick-up times, there are lots of families walking and trying to cross at the top of the drive.

Thank you.

Diary Dates		
28.9.26	NSPCC assembly for KS1 children only	9.05am
